LEVI'S

Stumped, aren't you pal? Levi's® 505® jeans fit kind of long and tubular. Levi's 550™ jeans are cut with a little more slop over. And Levi's 560™ jeans are made to fit way sloppy. Eat well, wear what you want, be happy.

MARVEL UNIVERSE

You know, this is a great time to be Stan Lee, founder of that phenomenon we like to call Marvel Comics.

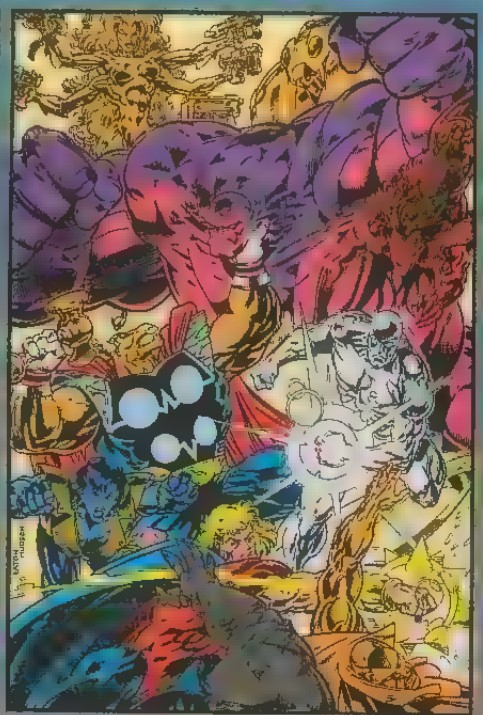
First, our Fearless Leader is earning rave reviews playing himself in the comedy hit *Mall Rats*, the full page ad for which has been appearing in your favorite comic book pages. It's playing at a multiplex near you. See it.

Second, on Halloween week the Sci-Fi Channel ran a marathon of Marvel TV classics, like *Spider Man* and *The Incredible Hulk*, hosted by the Smiley One himself.

And third, coming in December, the Arts and Entertainment (A&E) Network cable channel will broadcast "Biography: Stan Lee, the ComiX MAN," a one hour program featuring a behind-the-scenes look at The Man, more biographical goodies than you can shake a comic at, and interviews with Marvelites like John Romita, John Buscema, and Terry Stewart, and entertainment heavies like James Cameron, John Singleton, Lou Ferrigno, and Gene Simmons. The show is scheduled to air the week of December 25-29 (coincidentally Stan's birthday week!)— check your local listings for the exact time and date.

So... in the spirit of the Thanksgiving season, let's all give thanks to Stan for all he's done for our beloved medium. In my opinion, without him, comic books would not exist as we now know them.

The most important issue of Iron Man ever! Assistant editor **Mike Marts** revealed, "In this issue, it is revealed that Tony Stark has been behind most of the mayhem caused during THE CROSSING - he has been the unwilling pawn of Kang and Mantis! So the Avengers and Force Works team up against Iron Man!" Story by **Terry Kavanagh**, with guest artists **Jim Calafiore** and **Peter Palmiotti**!



Penciler **Scot Eaton** revealed, "There's a pretty big struggle between Beta Ray Bill, the Silver Surfer, and Quasar and the Cosmic Commandos!" Scot raved about the writing of **Mark Gruenwald:** "He really fires up my imagination!" As for the inking of **Bob Almond**, Scot gave the highest possible recommendation: "When it's all done, it looks like a real live Marvel Comic!"

Let's have a Marvelous round of applause for the Marvel softball team, the Punishers, for their triumphant performance this summer! After a spectacular 10-2 season, the Punishers went on to defeat Raven Press in a 2-0 championship series! Led by coach **Robbie Carosella**, the Punishers truly showed no mercy — just like Frank Castle in pursuit of vengeance!
